

As soon as he stepped onto the ring, he showed his true colors

Normally, there is at least one person you can rely on financially... I have no one... But I have everything except money... I have freedom... I don't have common sense... But in a lawsuit, I make good use of words like "socially accepted" and "generally"...

I can only eat one meal a day, but I've managed to maintain my weight (units in kg)"
Body composition (2025-07-18) In boxing, I'd be in the heavyweight division.

But I am impressed with myself... I think she has great control over her ballet movements at this weight.

The real action begins once the feet touch the ring
